

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 1021

February 23, 2021

SUMMARY OF BILL: Decreases, from 90 to 60 days, the amount of advanced notice a school must be provided by the Commissioner of the Department of Education (DOE) that the State Building Commission (SBC) can require a county legislative body to appropriate and expend funds necessary to fund school building improvements if a school or school system in that county has been placed on probation pursuant to Tenn. Code Ann. § 49-1-602.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Reducing the amount of advanced notice that schools receive that the SBC may take certain actions related to funding school building improvements will not significantly impact processes or procedures of DOE, SBC, or a county legislative body. Any fiscal impact will be not significant.
